NISSAN

PRIMASTAR

TOWNSTAR

Ready for your next move

Robust, reliable and practical. Nissan Primastar is ready for whatever tomorrow brings. With the versatility to handle cargo of all shapes and sizes, Nissan Primastar keeps you energised, optimistic and on top of things wherever the road takes you.

Key performance indicator

LIGHT ON FUEL, STRONG ON POWER

Discover a powerful engine line up with power from 110 to 170PS and torque of up to 380Nm. Featuring variable-geometry turbocharger, stop/start and ECO mode, Nissan Primastar's engine range balances confident performance with low running costs.

LOW RUNNING COSTS

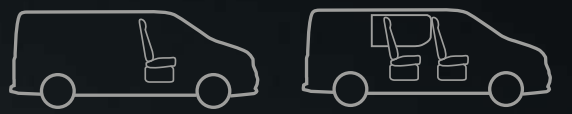

Nissan Primastar engines are Euro 6 compliant. Their low performance coupled to 2 years / 18,000 miles service intervals make for very favourable running costs.

GET THE JOB DONE

Nissan Primastar is a highly capable load carrier. Even the standard version can take three Europallets or up to ten 2.5m long plasterboards. Lift the bulkhead flap and you can carry extra long items such as pipes or carpet rolls - up to 3.75m in the L1 model and up to 4.15m in the L2 model.

Van Crew Van

DESIGNED FOR YOU

There's an ideal Nissan Primastar for you. Choose from two lengths and two heights for the Panel Van, or two lengths for the Crew Van.

KEEP IN TOUCH

Keep in touch with NissanConnect**, your navigation, communication and audio-entertainment system. Display maps, music, info and phone files on your 8" colour touchscreen, get voice guidance across Europe, enjoy USB or Bluetooth® audio streaming.

**Features available depending on version and grade, as standard or only as option (at an extra charge)

Stylish and versatile

With its sleek LED headlamps, distinctive Interlock-grille design and bold side vents, Nissan Primastar stands out in a crowd. For maximum versatility, you'll discover two lengths and two heights available for the Panel Van model, as well as a choice of two lengths for the Crew Van models.

LED headlamps

Distinctive Interlock-grille design

Side vents with LED fog lamps

PRIMASTAR

NISSAN
PRIMASTAR

More efficient, more powerful

Nissan Primastar's efficient engine line-up offers power just when you need it, even on steeper climbs. With variable-geometry turbocharger, all variants offer a confident performance, with 110 to 170PS and up to 380Nm of torque. There is also a choice of transmissions available: a standard 6-speed manual or optional 9-speed automatic transmission.

For efficiency and lower running costs, all engines are Euro 6 compliant with Stop/Start and smart energy management technology, like ECO mode. For extra peace-of-mind, there's also Nissan's exceptional 5-year, 100,000 miles warranty.

Eco mode

Cruise control

Space to work or relax

With smart connectivity, 90 litres of storage space and foldable passenger seats that create a useful work table, Nissan Primastar becomes your office on the road. Its car-like interior with satin chrome switches and high quality seat upholstery create a relaxed and comfortable space for a refined drive.

54 litres of storage beneath the passenger seats

Convenient cup holder to safely hold your beverage

Mobile Office functionality

Always looking out for you

Make parking feel like child's play with front, rear and side parking sensors* (ultrasonic) and rear parking camera*. And thanks to a whole suite of other intelligent assistance systems available, Nissan Primastar has your back in any driving situation.

BLIND SPOT WARNING*
When the system detects a vehicle driving in an adjacent lane approaching the rear of the driver's vehicle - a common blind spot area, an LED light appears in the mirror on the side where the other vehicle is approaching. If the driver activates the turn indicator, the LED warning will flash continuously to alert the driver to the danger.

LANE DEPARTURE WARNING*
Lane Departure Warning provides an alert to the driver if they are beginning to leave the travelling lane. The system visually monitors the left and right side lane markers of the traveling lane. If there is a risk of the vehicle leaving the travelling lane unintended, the system flashes an indicator and sounds a warning chime.

REAR VIEW CAMERA*
Makes manoeuvring easier by giving you a clear view from the rear.

FRONT AND REAR PARKING SENSORS*
All-round ultrasonic sensors provide 360° protection against low-speed impacts while parking and manoeuvring.

TRAFFIC SIGN RECOGNITION*
Keeps you up to date with the latest speed limit by detecting road signs as you go.

INTELLIGENT EMERGENCY BRAKING*
Continuously monitors the area in front of the vehicle to identify braking vehicles or parked vehicles and alert the driver to their presence. If the driver does not respond, the system will apply emergency braking.

*Features available depending on version, as standard or only as option (at an extra charge)

You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply. For terms and conditions relating to Nissan technologies, please contact your Nissan dealer or www.nissan.co.uk

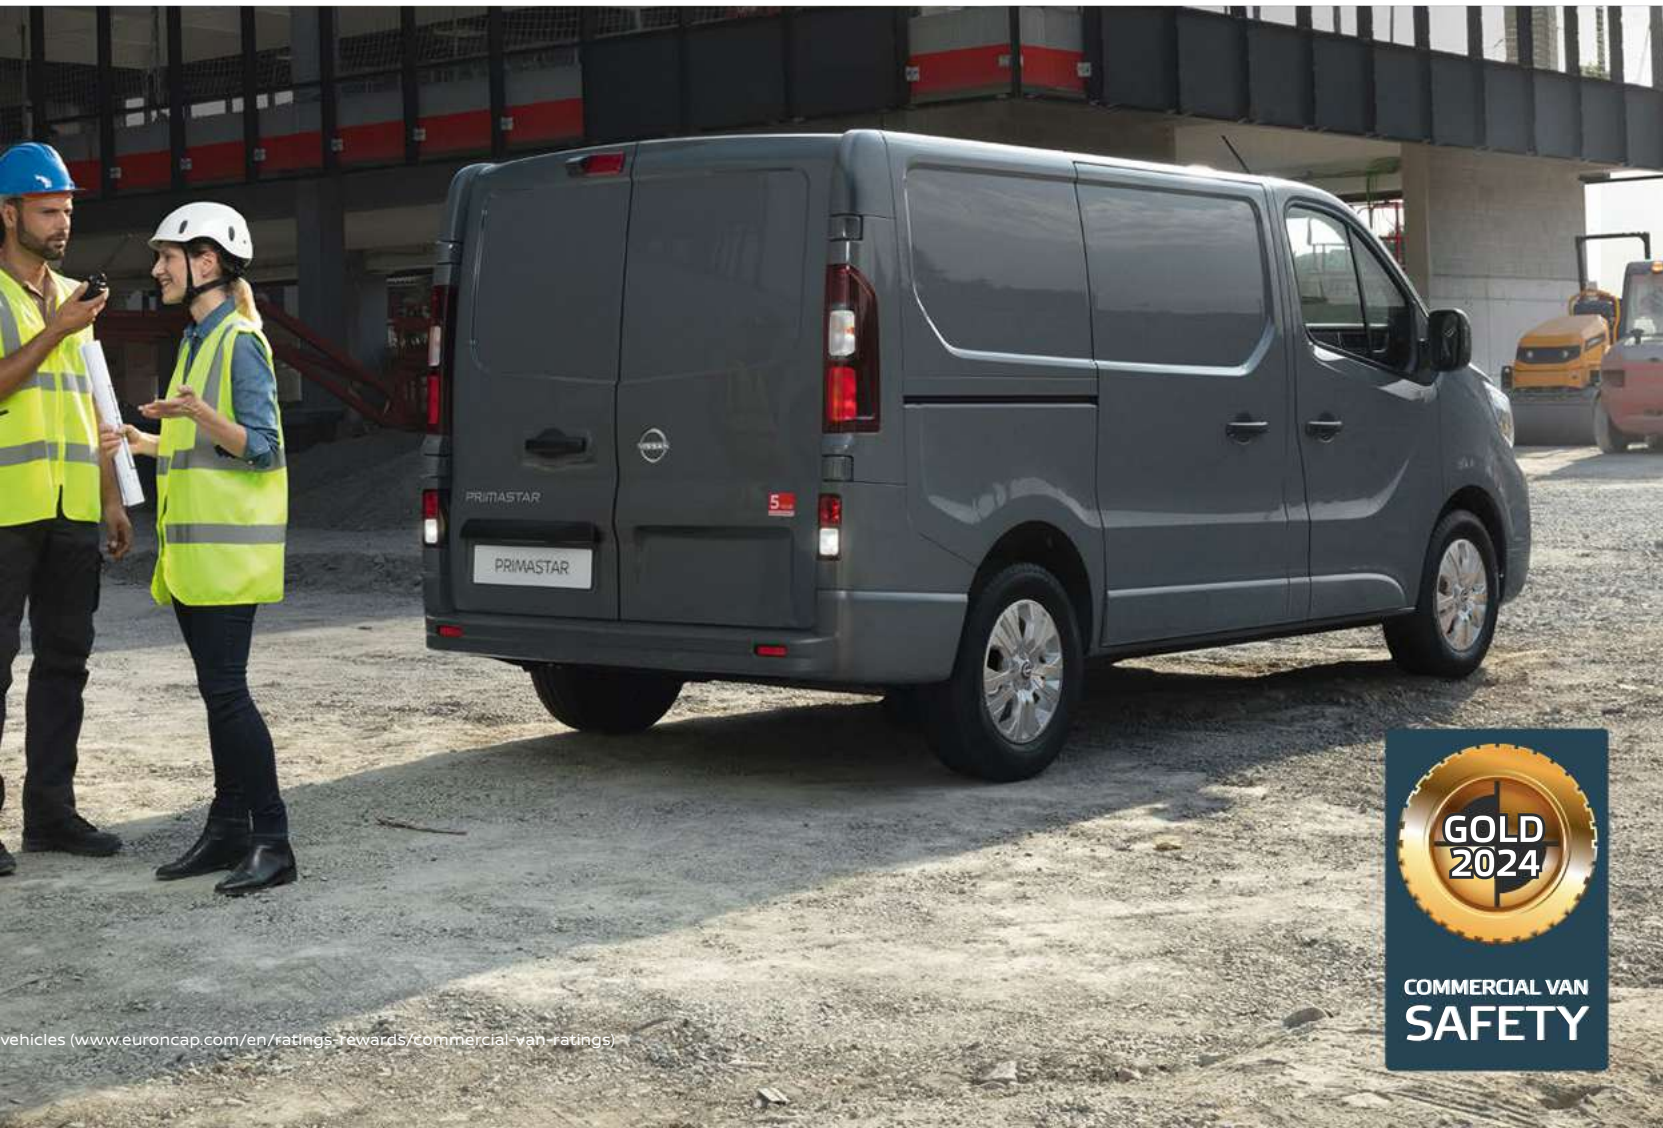

*EURO NCAP Safety Rating 2024 for commercial

vehicles (www.euroncap.com/en/ratings-rewards/commercial-van-ratings)

Stay in the loop

Connect[1] your Android or iOS device for seamless connectivity including voice control. With Apple CarPlay[2] and Android Auto™[2] access your favourite music, messaging and other apps to stay informed and entertained on the go.

[1] Feature available depending on version, as standard or only as option (at an extra charge).
[2] Apple CarPlay® and Android Auto are available free of charge, depending on model and/or grade. For more information, please contact your Nissan dealer or www.nissan.co.uk
Apple CarPlay® is trademark of Apple Inc., registered in the U.S. and other countries.
Android, Android Auto and other marks are trademarks of Google LLC.

Technology which works for you

A responsive 8” touchscreen is your portal to NissanConnect Services app[3]. It redefines your relationship with your Primastar by allowing you to connect with your smartphone, e.g., find out where it’s parked or check your driving history.

NISSANCONNECT DISPLAY[1]
The large touchscreen NissanConnect display puts entertainment, settings, navigation and more at your fingertips. Enhanced voice recognition and easy smartphone integration make it easier than ever to access all the information you need.

DRIVING AIDS[1]
Tools to help you drive more easily, including parking assistance, tyre pressure monitoring and tips to help you adopt a more eco-friendly driving style.

NAVIGATION[1]
Find your way effortlessly with advanced navigation, featuring: 3D view, speed limit guidance, junction view, real-time traffic information and continued navigation even without a GPS signal, thanks to the systems internal gyroscope.

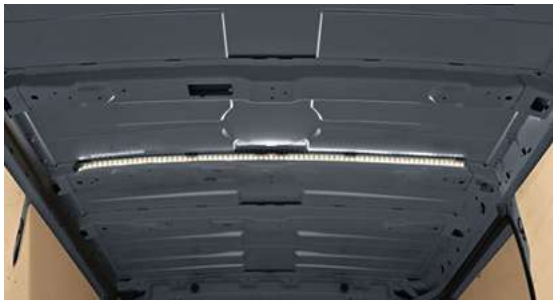

E-CALL
In case of any emergency, E-call can be set to automatically or manually at the touch of a button, make a call to emergency services. The system is triggered if a collision is detected by your vehicle’s sensors.

[3] To use the NissanConnect services you need a NissanConnect Services user account and have to register and log into NissanConnect Services app with your username and password. To use the free NissanConnect Services app, you need a smartphone with a compatible iOS or Android operating system and a SIM card with data option with an existing or separate mobile phone contract between you and your mobile service provider. All services are subject to mobile network coverage.
The feature responsiveness and use can be impacted when car is receiving a bad signal. For optimal use, please make sure your car is under good network coverage.
Connecting a mobile phone to use NissanConnect should only be done when the car is parked safely. Use of the system should always be in accordance with the rules of The Highway Code. Drivers should only use the system when it is safe to do so. Users should be aware of the potential for hands-free technology to distract attention from the road, which could impact on having full control of the vehicle.

Nissan Primastar can handle it

NIssan Primastar is ready to take on any task. With a best-in-market length capacity of 4.15 meters and rear doors that open up to 180° (255° on Tekna grade)*, it can tackle even the biggest jobs. Add clever storage tools and, depending on configuration, a maximum load volume between 3.2 to 8.9m³ and you have one highly versatile and accomodating load space.

Optional bright LED lighting makes it easier to work in the load space.

A 1.0m wide sliding door is available for one or both* sides.

This clever device lets you lock a rear door open

*Feature available depending on version, as standard or only as option (at an extra charge).

PRIMASTAR

A smart space

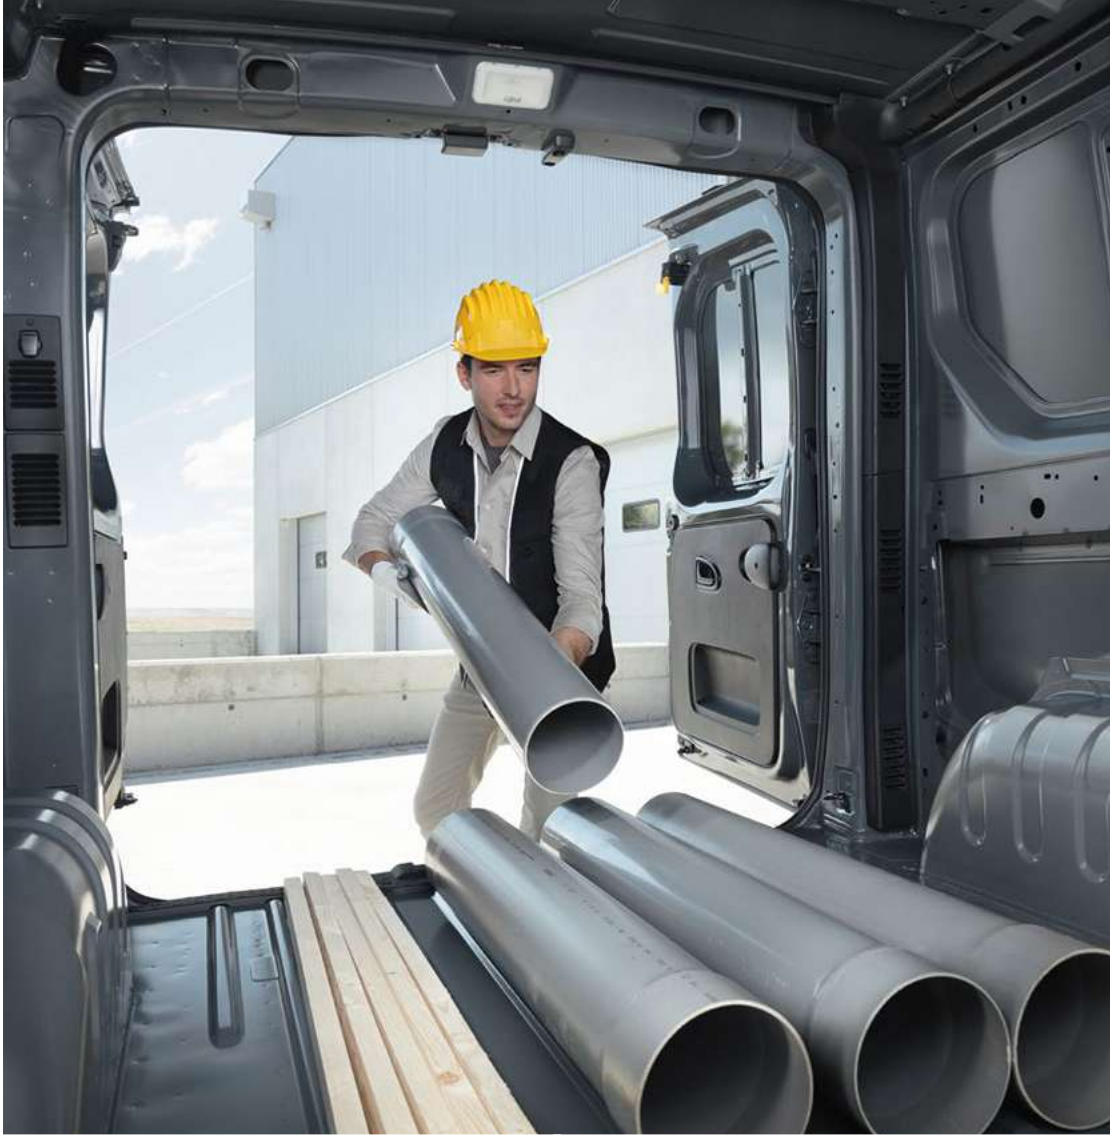

With sliding doors available on both sides, wide-opening rear doors and up to 16 anchor rings in the back, Nissan Primastar makes loading effortless and securing your cargo simple, whatever shape or size it is.

Bulkhead flap lifts to allow extra long objects – up to 3.75m in the L1 Primastar or 4.15m in the L2 Primastar.*

*Features available depending on version, as standard or only as option (at an extra charge)

Sliding side door is over a metre wide, so will easily take a Europallet.

Side-hinged rear doors open 90°/180° (255° on Tekna grade) for unimpeded, 1.3m wide access.

Up to 16 built-in side and floor mounted tie-downs to keep your load secure.

Your personal Nissan Primastar

With Nissan Accessories you can customise your Nissan Primastar to match all your business needs.

✔ Accessory Select products' warranty coverage depends on supplier, for further information please speak to your authorised Nissan dealer or repairer.

NISSAN LCV 5-YEAR MANUFACTURER WARRANTY

Nissan now offers a standard 5-Year Pan-European Manufacturer Warranty on its whole LCV range*. This is much more than just a warranty as it includes:

- 5-Year or 100,000 miles* bumper-to-bumper protection
- 5-Year Paintwork Warranty – covering the body paint
- 5-Year Nissan Genuine Parts & Accessories Warranty
- 5-Year Roadside Assistance
- 12 Year Perforation Corrosion Warranty on Nissan Primastar
- Fully transferable

And with service intervals at 2 years or 18,000 miles for diesel you'll have 5 years of peace of mind together with low running costs into the bargain.

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design vehicles, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

**5-Year / 100,000 miles (whichever comes first) Manufacturer Warranty for the LCV range*
Unlimited mileage for Paintwork, Nissan Genuine Parts & Accessories, Roadside Assistance & Corrosion Warranties.
For more details, please refer to Nissan Warranty Booklet and Maintenance Record for additional information on Warranty.

CUSTOMER SERVICES

SPECIALISED LCV NETWORK

Nissan provides a specialised network of Van Centers to support your specific commercial vehicle requirements:

- Pan-European coverage
- Dedicated LCV Sales & Aftersales staff
- Attractive financing solutions
- Tailor-made conversion offers
- Competitive extended warranty offers to go even beyond Nissan LCV 5-Year Warranty.
- Test drive your choice

AFTERSALES SERVICES

If your car breaks down, it's inconvenient. If your van breaks down, it's a serious blow to your business. Even time allowed for servicing is downtime, when your van isn't earning its keep. At Nissan, we understand these hard business facts. So we do the best to ensure that your van stays where it belongs – working for you, on the road.

NISSAN SERVICE CONTRACTS AND EXTENDED WARRANTY[1]

For total peace of mind and budget control, subscribe to a Nissan Service Contract, which will cover periodic maintenance and parts wear & tear for the mileage and period that suits your business best, keeping your Nissan Primastar in the care of dedicated, expert Nissan technicians. Get even more reassurance with an Extended Warranty to cover possible mechanical and electrical breakdown after the end of your Nissan Primastar warranty.

5-YEAR ROADSIDE ASSISTANCE[2]

- Pan-European coverage for breakdowns, accidents, non-warrantable incidents (such as flat tyres, lost keys, wrong fuel...)
- 24/7, 365 days
- Emergency Call Centre
- Prompt roadside assistance

If this is not possible and your vehicle is still immobilised after a few hours, we will make sure you are provided with a courtesy vehicle as soon as possible or if necessary, overnight accommodation and travel to your onward destination or back to your base. We will also recover your immobilised vehicle.
